DESCRIPTION OF PROJECT:

Volunteers are needed to help get the fairgrounds and buildings ready the week before the fair. This would include cleaning up the grounds, trimming around the fences, marking the grounds for parking and vendor space, setting up stalls and pens in the barns and showrings, setting up booths in the exhibit buildings, putting up orange and privacy fence around beer tent and race track, setting up seating at various venues, etc.

After the fair we need volunteers to clean up the fairgrounds, take down fencing, stalls, pens, booth, etc. and put them in the proper place for winter storage.

All volunteers who work a total of four hours or more will be given a T-shirt that has the fair logo on the front and FRIEND OF THE FAIR on the back.

DATES AND TIMES:

Fair clean up dates are June 26th and July 3rd
Work will begin around 9 am until done.
