We look forward to her experience to help expand the fair partnership program to allow the fair to continue to grow and provide free gate and parking to our fair goers.

For more information on our 2011 Partnership Programs please go to: <http://thelinncountyfair.com/pv.html>

The Linn County Fair Association is ran completely by volunteers and would not happen year after year without the countless hours put in from our dedicated and hard-working volunteers. Our Association membership this year reached 39 members. Association members help year round with the planning and organizing the fair.

We also have hundreds of volunteers that help during fair week with exhibits, shows, and educational projects. The 2010 fair reached approximately 12,000 volunteer hours recorded for the year. We are currently looking for volunteers to help with the 2011 fair. For more information and how to get involved go to: <http://thelinncountyfair.com/vol.html>.

Stay tuned for the release of the 2011 grandstand events scheduled for July 6-11, 2011.
