

Dear Recipient,

The Linn County Fair Association is on its way to planning the 2012 Linn County Fair that will excite and entertain the 35,000+ people who attend the fair. The dates are set for June 27 – July 2nd, 2012 and plans are already well under way to bring our community another week filled with live entertainment, grandstand events, livestock shows, a midway carnival, as well as all your favorites! The Linn County Fair is a strong asset to the community and we continue to look for ways to educate and entertain on a bigger and better scale than last year.

Here is your opportunity to give back to the community while showcasing both your business name and giving strong support to the local community. Your company can help us by providing tax-deductible funds in the form of partnership or donating goods or services. I would like the opportunity to work with you to find the right partnership package for you. Please take a moment to see all the different ways and levels for you to contribute to this amazing event. As you can see there are large events to partner with or smaller contributions.

Feel free to visit our website at www.thelinncountyfair.com for more information on the fair. You may also contact me directly at 319-213-7129 or email me at angiecole@thelinncountyfair.com with any questions you may have regarding this partnership. I look forward to hearing from you!

Sincerely,
