## DESCRIPTION OF PROJECT

– Unfortunately, we need monitors in the Morton Building and the Garden Building while they are open to the public to prevent theft of the 4-H and Open projects that are on display. We also need monitors in the Cock-a-doodle Zoo to make sure the animals are okay and the children don't become unruly in the sand box.

MONITORS will be stationed near the open doors and keep an eye the exhibits. Usually just the presence of a monitor is enough to deter theft. You may use the metal chairs we have available or bring a lawn chair if you wish.

Volunteers can work in shifts in duration of your choice. All volunteers who work a total of four hours or more will be given a T-shirt that has the fair logo on the front and FRIEND OF THE FAIR on the back.

DATES AND TIMES – (to be determined)
