3 R's POSTER CONTEST

REDUCE, REUSE, RECYCLE

Sponsored by the Linn County Fair Board

As you know The Linn County Fair is "Going Green" in 2009. Part of that our goal is to educate the residents of Linn County of how they can reduce, reuse and recycle. We have put together a poster contest that will allow the youth of Linn County to help educate fair goers on how they can go "green."

This contest is open to all children (ages 5-19) in Linn County. The purpose of the contest is to show the different ways in which everyone can reduce, reuse, and recycle. The posters will be displayed on the outside of the buildings throughout the fairgrounds during the fair. Entry day for posters is Wednesday, July 8 at the gate building. Go to <http://thelinncountyfair.com/doc%20files/3%20R%20POSTER%20CONTEST.pdf> for full contest rules.
