“Affordable Fair Fun”

The Linn County Fair is different than many other county fairs in this area. It is FREE to get into the fair and to park. There are many different FREE entertainments throughout the fair for the whole family that includes Youth Day events, Heritage Day events, Farm Bureau Free Entertainment Tent line up, and many 4-H/FFA exhibits and livestock shows. So, in these tough economic times everyone can come to The Linn County Fair and enjoy some summer fair fun!

The only cost for fairgoers is the carnival, fair food and grandstand events. The Linn County Fair Association is going one step further to offer savings to the main grandstand events through the Family and Couple Packets.

Each packet contains several booklets. In each booklet there is one ticket to each of the following events: Terry Lee Goffee- The “Ultimate” Johnny Cash Tribute Artist, Draft Horse Pull, Truck and Tractor Pull, Garden Tractor Pull, Chuck Wagon Races and Harness Races. (Booklets do NOT include a ticket to the Candlebox concert.)

The Couple Packet includes two booklets. So a couple can attend the many events for half the price. Or several couples can go in on a Couple Packet and split it up. The price is \$50, valued at \$108.

The Family Packet includes four booklets and a carnival ride sheet. A carnival ride sheet consists of 20 carnival tickets. It takes 2 tickets for kid rides and 3 tickets for adult rides. So a family of four can go to all the events (except the Candlebox concert) and enjoy 10 kids rides for \$115. The Family Packet is valued at \$234. In the past several families went in together to purchase a family packet then split it based on which event they went to. It is a great value you can't pass up.
