### **“The Giant Sandbox and Cock-a-doodle Zoo”**

The Cock-A-Doodle Zoo and the Sand Box are two favorite places for children and adults to visit while at The Linn County Fair in Central City. Everyone can enjoy the farm animals, from chickens, kittens and rabbits to sheep, goats, calves, llama, pigs, a mule, to Tina the miniature cow. The Giant Sand Box offers a place for the kids to kick off their socks and shoes and cool off.

All it takes is their imagination. The sand scape changes daily from farms to cities to sculptures as the children play with scoops, buckets, tractors and farm equipment. Don't be surprised to see some adults indulging in the cool sand and activities.

The Cock-A-Doodle Zoo provides the opportunity for kids of all ages to see and learn the different animal breeds and how to care for them. It is open daily during the fair Wednesday through Monday, July 8-13 from 9am to 9pm. The best thing about the zoo and sandbox, it is all FREE! After the fun in the zoo and sand box kids can wash their hands in the several hand washing stations that will be available in the zoo area.

The Cock-A-Doodle Zoo and the Sand Box would not be possible without the continuous support from Rick Mollenhaur for the Sand, Coffey Lane Club Lambs for the straw bales, and Innovative Ad Services Co. Central City, and Wholesale Feeds Marion for the feed and bedding.
